SPRING 2018
NEWSLETTER

Northern
Region

Dear Northern Region BACCN
Member,

Many thanks for your continued
membership with the BACCN.

The Northern Regional Committee
is extremely keen to engage with
you as valued members of this
Association.

The last year has been particularly
difficult in terms of our ability to
engage with our BACCN members in
the Northern Region.

Following the success of previous
years, we are excited to explore new
ways of moving the Committee
activity forward into 2018 and are
always looking for new people to
join the Northern BACCN Region.

We alter our face to face and virtual
Regional Committee meetings
monthly, so if you would like to join
us at one of our meetings or are
interested in becoming a Northern
Region Committee Member, you
are warmly welcome to join us. If so,
please let us know via email
support@baccn.org

Yours sincerely,

*The BACCN Northern
Regional Committee*

WHO ARE WE?

As a Committee, we are all Regis-
tered Nurses who volunteer to
support you, the Critical Care Nurses
in the Northern Region.

HOW CAN WE HELP?

We are very keen to support your
Critical Care Nursing practice and
would like to hold study events
which are of interest to you.

[Details of Autumn event to follow](#)

WHAT ARE THE BENEFITS OF BEING A NORTHERN REGIONAL MEMBER?

As a Regional member, you have
access to following benefits:

- * **prizes** linked to study event activities
- * **reduced rate at all** BACCN study events and national conferences
- * regular e-Newsletters keep you up to date with the **latest regional BACCN news**
- * peer **networking**
- * **CPD** opportunities
- * **dissemination** of current Critical Care research evidence and practice development.

Your study : Your say!

We value your opinion. Tell us your
Top 3 Topics of interest and enter a
PRIZE DRAW to win a place at the
2018 BACCN National Conference.

Your voice: Your choice

Email your Top 3 Topics to:
j.shao@northumbria.ac.uk.
The Northern BACCN Committee
will then base on this year's
regional study events on the most
popular topics selected by you.

Your engagement: Your benefits

Attending the regional study event
will help you to:

- * obtain evidence towards your
NMC revalidation
- * remain up-to-date with current
practice and new development to
enhance your career
- * **update and consolidate** your
knowledge and skills
- * **network** with Critical Care nurses
across the Northern Region
- * **share** your professional practice
with regional Critical Care Nursing
colleagues.
