Built by Health Professionals for Health Professionals. Continulus is the future of Continuing

Watch high-quality
pre-recorded lectures

Watch high-quality
multi-angle tutorials

Discuss the learning
with speakers & users
in the world-wide forum

Watch & listen
as many times as
required

Embedded webinar
software for live
lectures & discussion

Take time-coded notes

Download certificate

Download slides

Export your
summary of learning

Your need is their need

Start your journey by solving your own problem or frustration

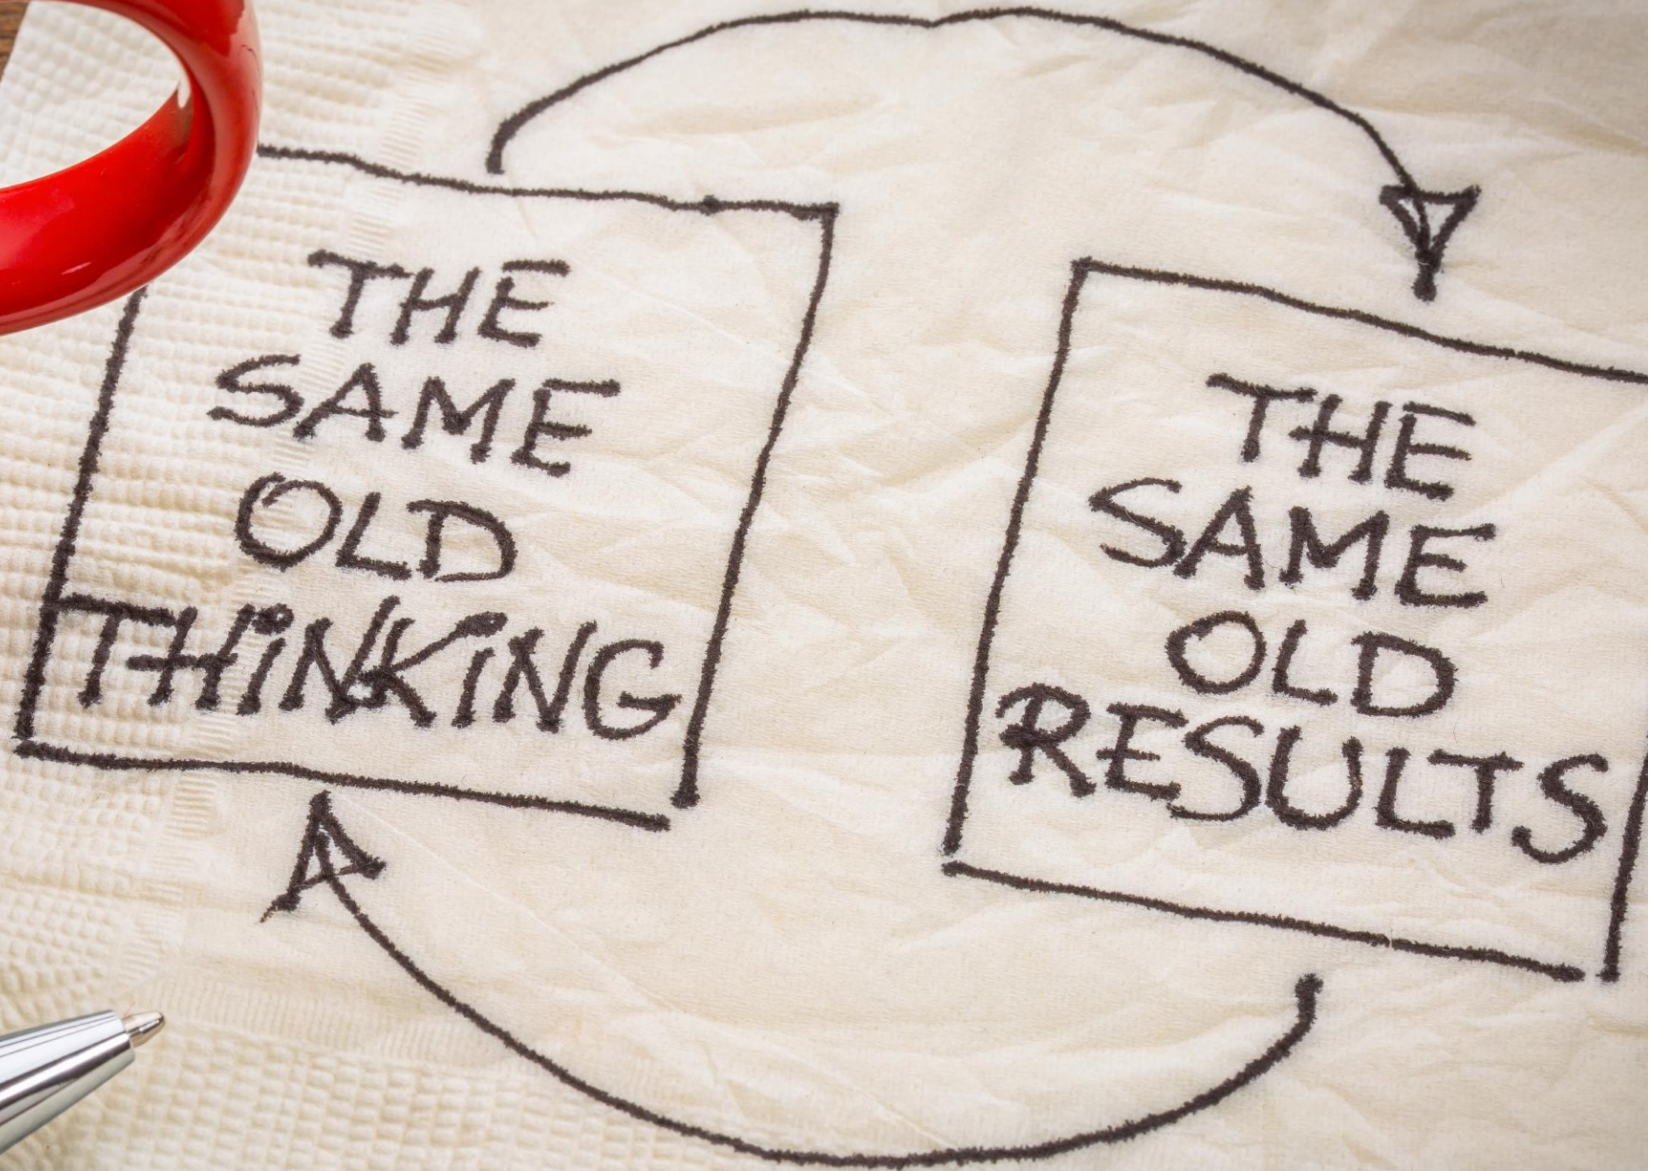

Funding

Geographic Location

Time away from work/family

Don't be afraid to think outside the box

Just ask

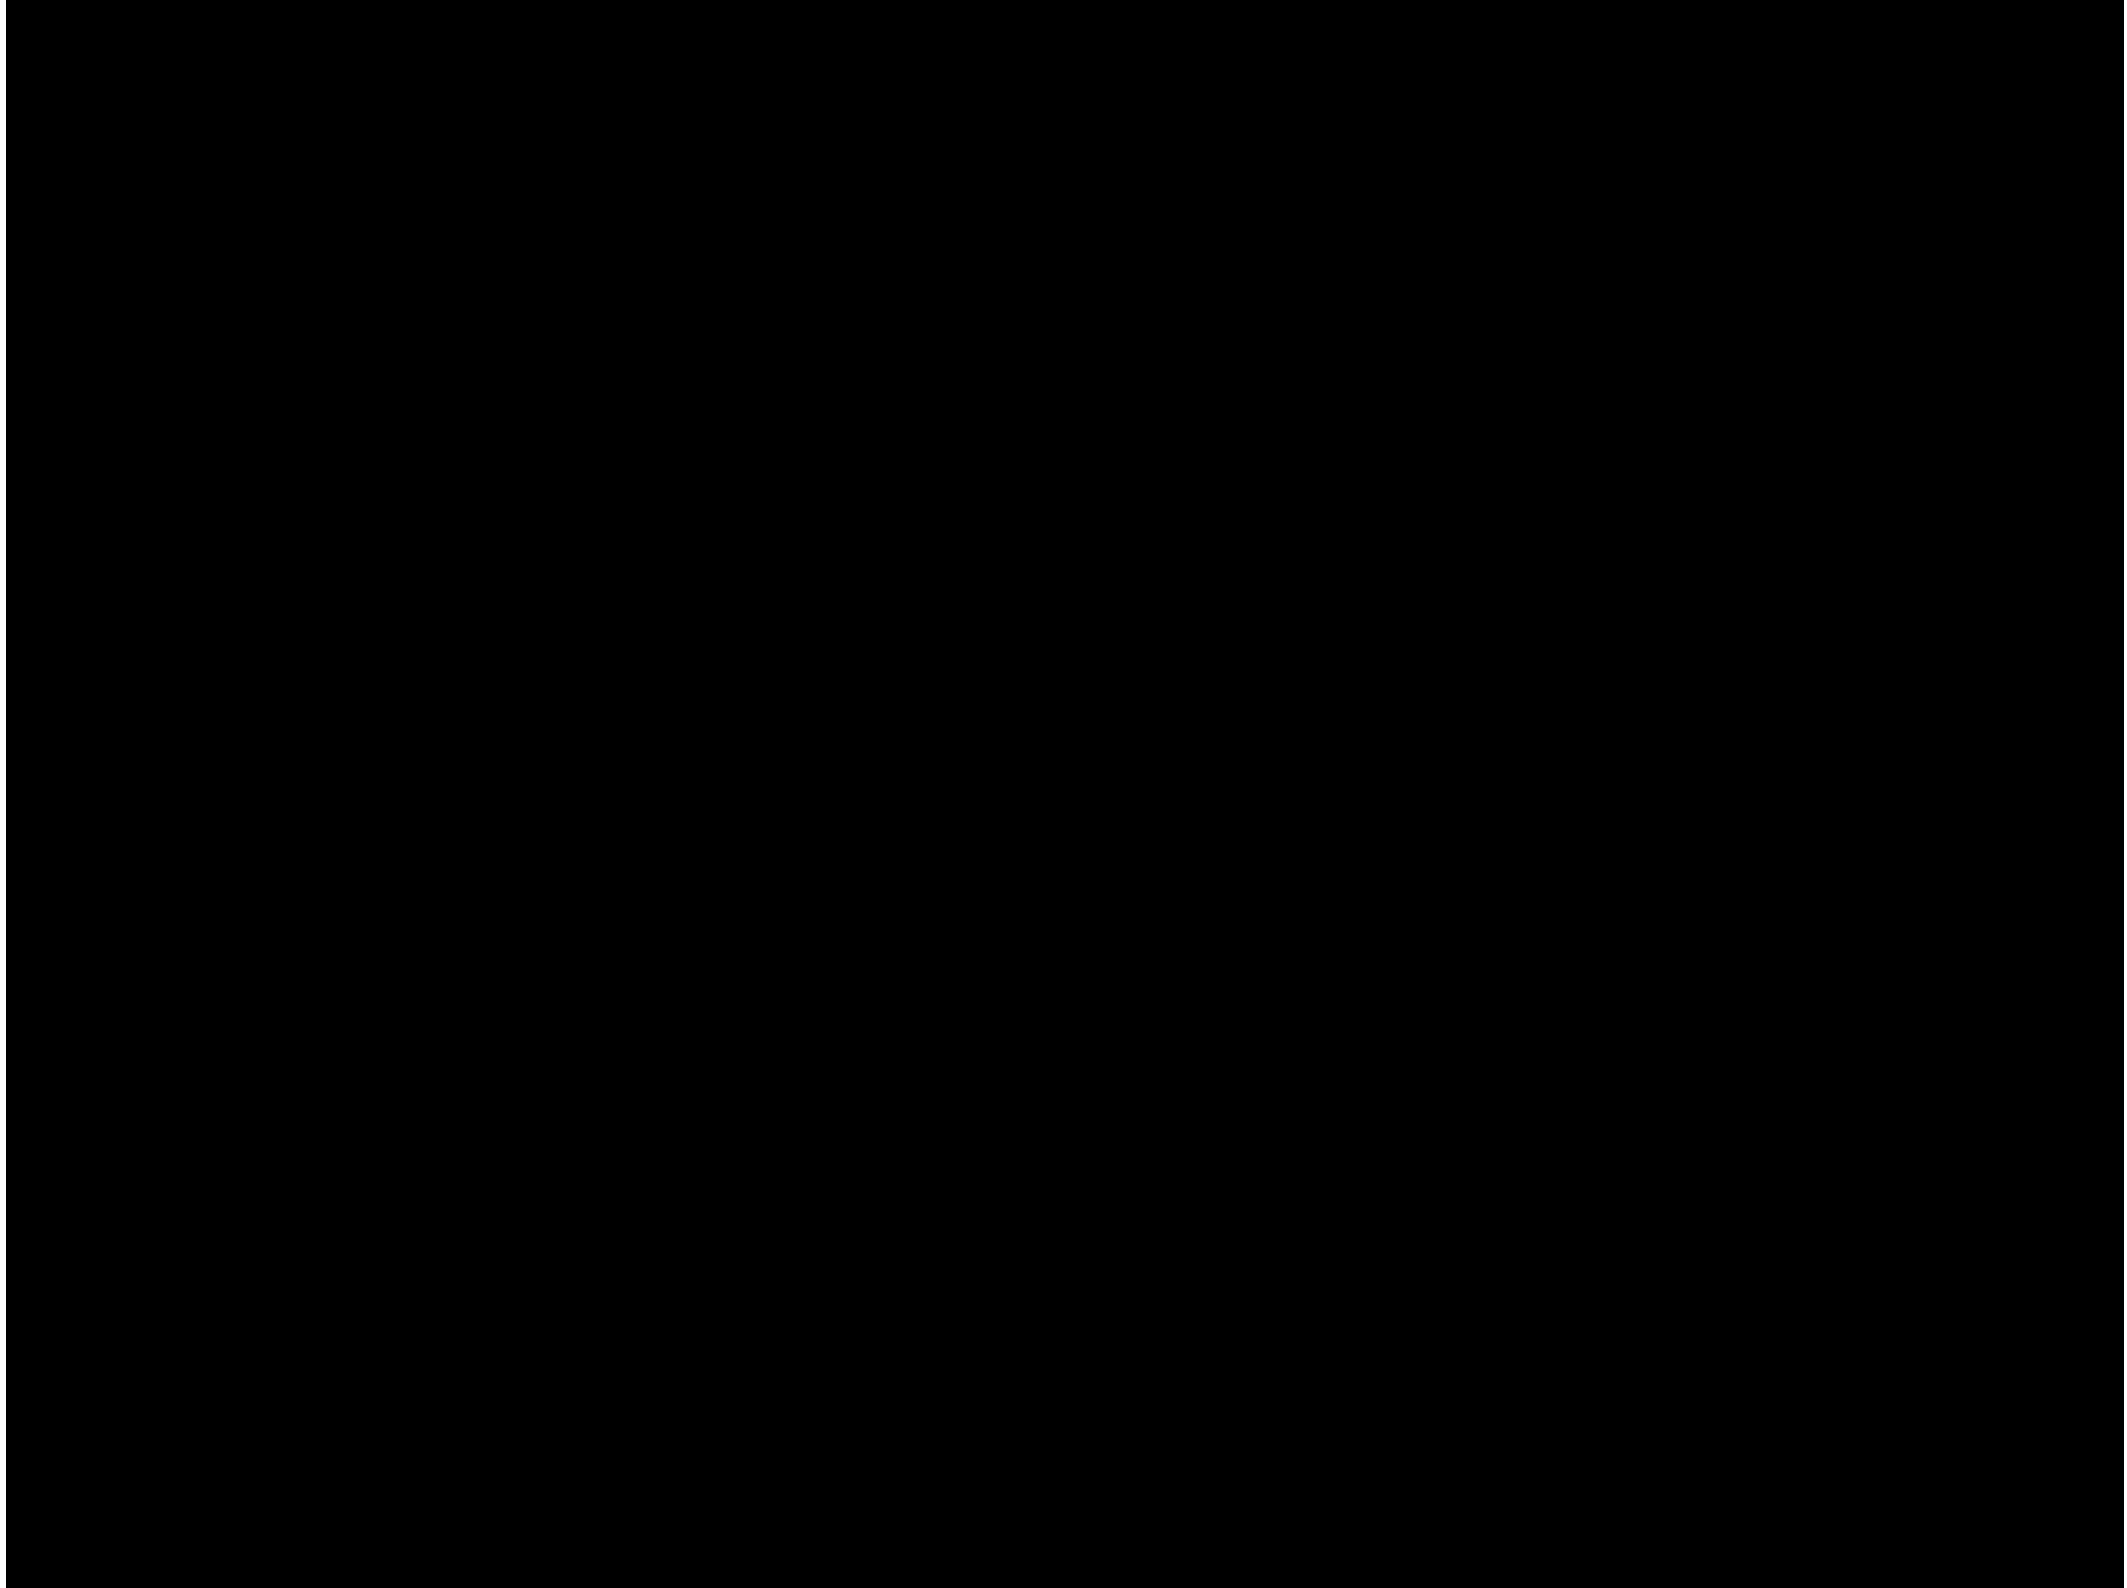

Listen and learn

“ YOU THINK
BIG
YOU GET
BIG ”

Don't be afraid to go it alone

Colleagues
Organisations
Africa

Make it evidence-based even if it's not what you want to hear

The Global Classroom for Critical Care Nurses

A conceptual image of a laptop. The screen displays the word "Continulus" in a large, bold, black font. On the laptop's keyboard, a miniature classroom scene is visible, featuring several small wooden desks and chairs. The background is a plain, light color.

PODCASTING

My top 10 tips to get started

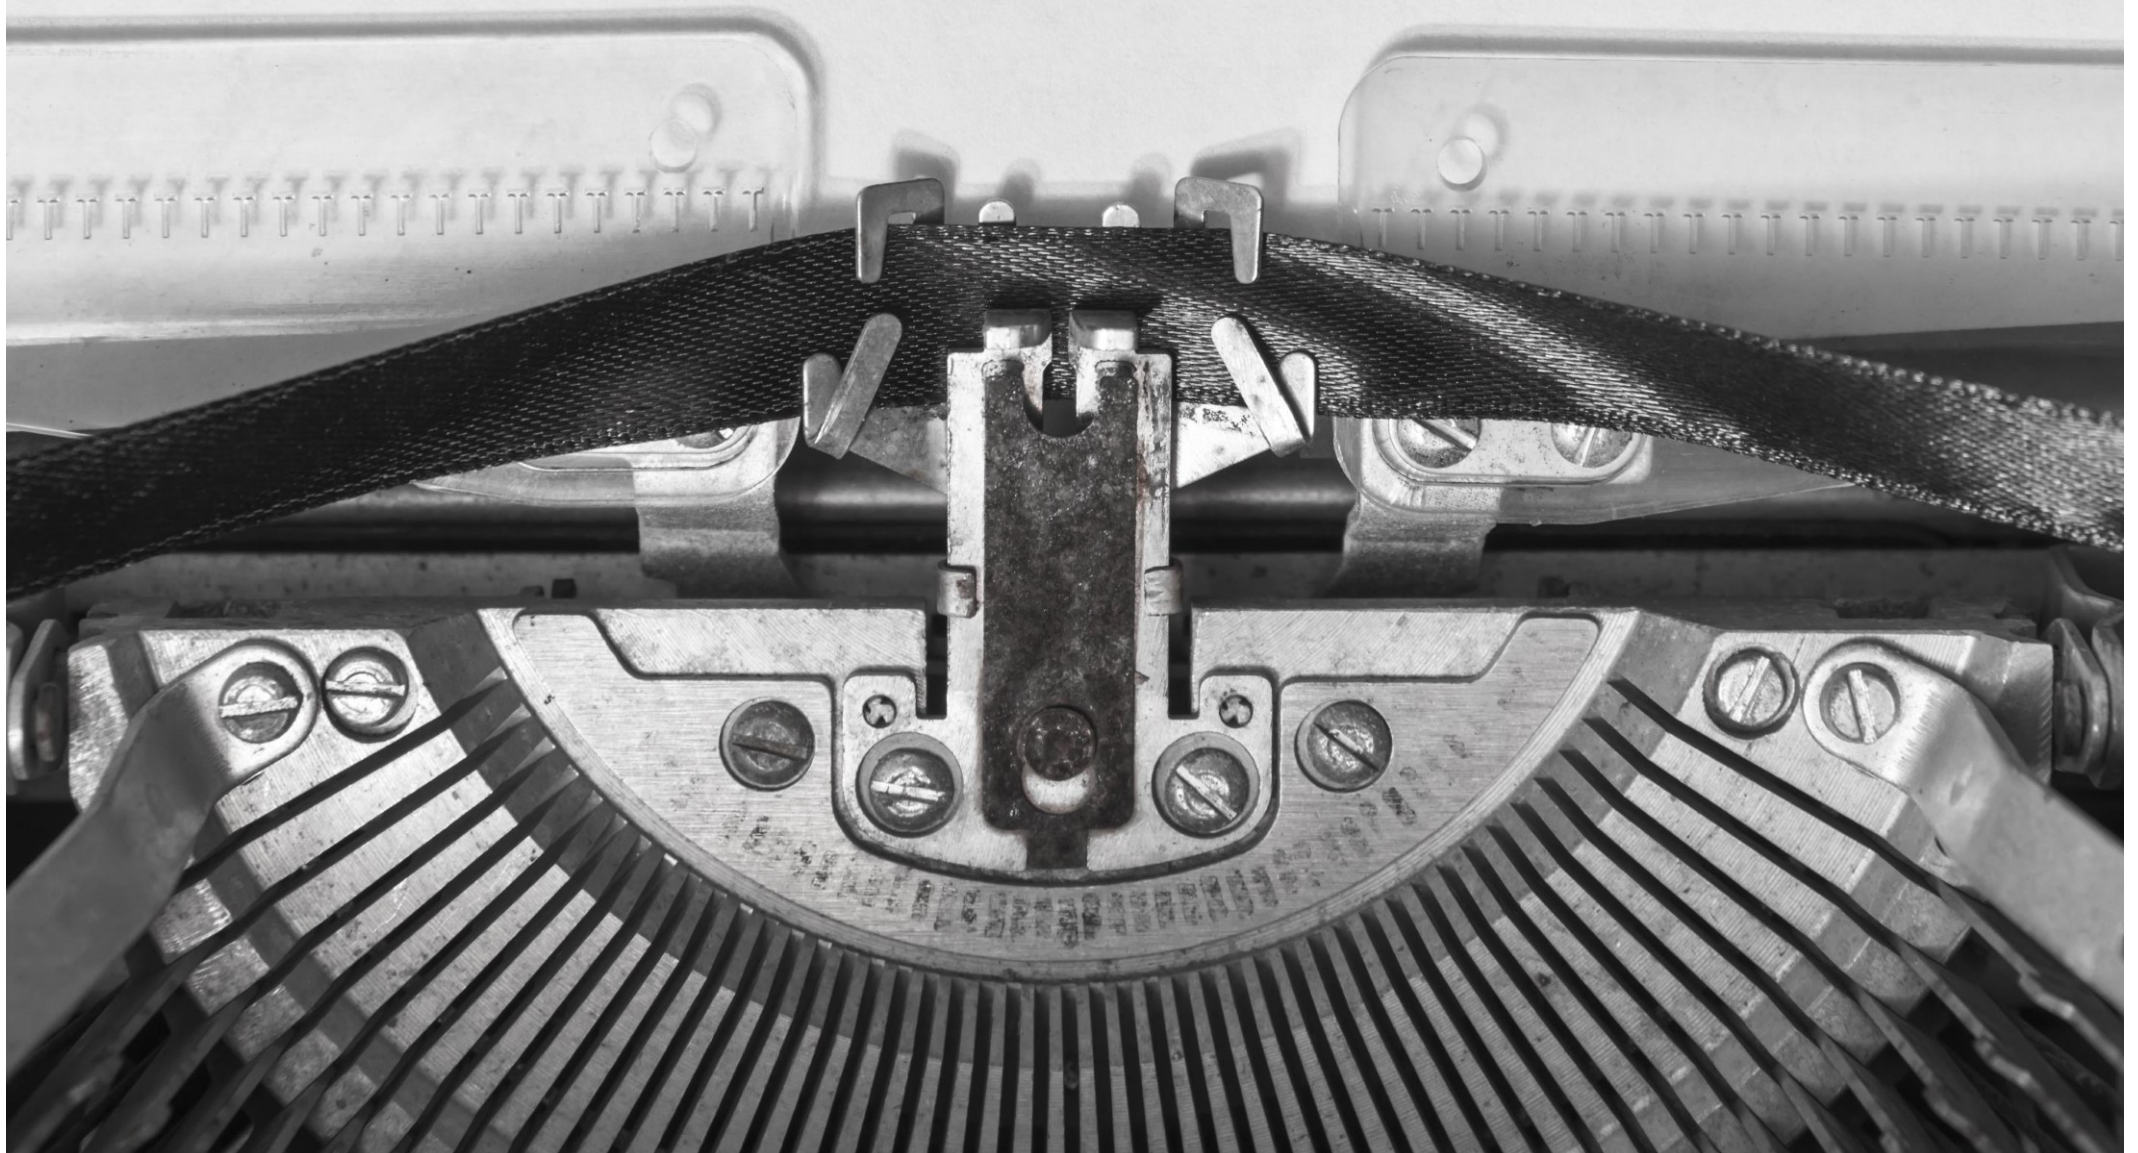

1

What are others doing?

What would you listen to?

Share your passion

content is king

2

Appreciate the level of work involved

Share the load

Start small

3

Avoid offensive sounds

Huge range of gear

What & where will you record

The average user doesn't care about the sound

4

Equipment

5

Yourself
Your guest
Interview

Be Prepared!

6

Capture a great recording

7

Backup

8

Editing: keep it simple!

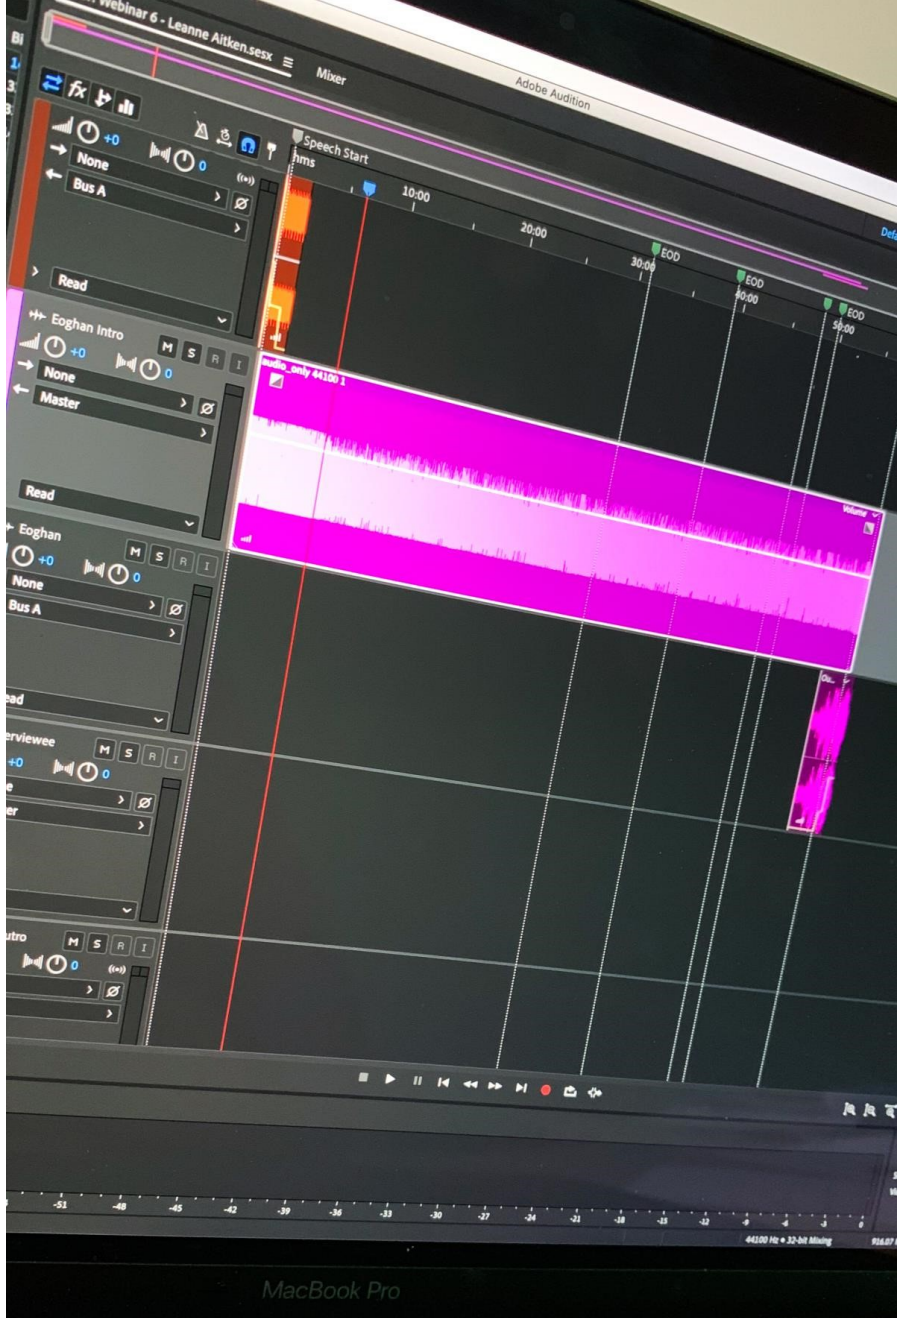

Less is more

Learn the basics

Don't be intimidated

9

1. A little: compress, normalize, EQ, De-Ess

2. Edit the content

3. Bell's & Whistles

4. Some numbers

LUFS: -16

MP3: 128kbps

10

Design,
Share,
Promote

Think Big, 😊
You can do anything
