

34th Annual BACCN Conference

BACCNTM

British Association
of Critical Care Nurses

16th & 17th September 2019

Edinburgh International Conference Centre

BACCN Conference: Innovation, Excellence and Learning

Moral Courage: Meeting The Challenges of a Contemporary Healthcare System

Registration open!
Earlybird: 28th June 2019

www.baccnconference.org.uk | info@baccnconference.org.uk

Abstract submission closes 28th March 2019

Programme Highlights:

- Keynote Presentations from Leading Experts
- Critical Care Nursing Masterclass
- Simulation Labs
- Networking Opportunities
- Research Symposium...and much, much more!

We're going to be changing the abstract format slightly, alongside adding two more exciting strands to the usual keynotes, posters, simulation labs, workshops and orals on topics related to all nursing roles, patient populations, clinical systems and professional practice across the whole of critical care.

Whether you're an advanced beginner, intermediate or expert in the field of critical care, the BACCN Conference offers content on the latest evidence on guidelines, standards and clinical practice as well as offering educational experiences for your continuing professional development.

SPONSORSHIP & EXHIBITION OPPORTUNITIES NOW AVAILABLE!
