

BACCN BAME WORK PROJECT FUNDING CALL:

Terms and Conditions:

The Project:

- The aim of this award is to support a work project relating to a BAME issue in critical care.
- The project may be a research project, service evaluation, quality improvement project or audit relating to a BAME issue in critical care.
- The project may focus on patients, their families/ informal carers, staff or organisational issues.
- The project must align with the mission of the BACCN. The mission statement of the BACCN may be found here: <https://www.baccn.org/about/our-goals-and-mission-statement/>.
- The project must be of clear benefit to the BAME community in critical care.
- In line with other charities, this award will only fund direct project costs and will **not** fund staff salaries. Direct costs may include for example transcription, statistician, administration or research assistant services.
- The project must be completed within one year of being awarded the grant.

The Applicant:

- Applicants may be any health care professional of a Black, Asian, or Minority ethnicity, working in a critical care area.
- Both BACCN members and non-members are eligible to apply.

The Application Process:

- You must complete this application form.
- In addition, your application must include the following:
 - i. A Work Project Proposal (Maximum 2500 words) structured using the following headings: Introduction/ Background, Methodology/ Methods, Action Plan, Budget
 - ii. A summary curriculum vitae of the applicant (1 side of A-4 only)
 - iii. A covering letter stating how the project will benefit the BAME community in critical care
- Completed documents must be e-mailed to support@baccn.org by **17:00 (BST) 31st July 2021**
- The documents will then be de-identified and sent out for blind peer review by the professional advisors and one other BACCN national board member.
- All communication with the applicant will be via support@baccn.org
- Please note that you may only apply to one BACCN funding stream per year.
- Prior to the release of any funding we will need to receive evidence that appropriate research and development, ethical and access approvals have been obtained.
- Successful applicants will receive one year's free membership to the BACCN.
