

What about us? Taking care of critical care staff

BACCN Southern Region – Workforce & Wellbeing Study Event

14 Nov 2019

17:00-21:00

**Shepherd Hall
St Thomas' Hospital
London SE1 7EH**

Come for an evening focusing on critical care staff wellbeing

Speakers:

- **Dr Becky Coles-Gale** – supporting critical care staff from viewpoint of a clinical psychologist
- **Dr Pamela Page** – personal and professional challenges experienced by critical care nurses
- **Harriet Noble and Fredrika Sundberg** – impact of critical care design and environment on staff
- **Performing Medicine** – interactive wellbeing workshop using creative, arts-based activities

Information will also be provided for examples of critical care initiatives with a positive impact on staff wellbeing, such as pet therapy, music therapy and mindfulness sessions.

BACCN Members £25 Non-members £30 – includes light meal

Book online www.baccn.org/regions/southern/southern-events/
